

Ben Z. Steinberg received the B.Sc. degree, the M.Sc. degree Summa Cum Laude, and the Ph.D degree, all in Electrical Engineering, from Tel-Aviv University in 1983, 1985, and 1989. From 1989 to 1991 he was a post-doctoral associate in The Catholic University of America in Washington DC, working on the area of underwater acoustics and propagation modeling. Since 1992 he has been with the School of Electrical Engineering at Tel-Aviv University, where he is currently a Professor. His research interests are in electromagnetic theory, wave propagation and scattering, complex media, and photonic and RF devices.
